## VIP Mobile Restroom

The VIP Mobile Restroom Trailer features distinctive wainscoting, crown molding, graffiti resistant walls, wood grain flooring, and individual stalls with 6-panel doors.

The VIP Restroom Trailer consists of the following:

Women's side: air-conditioning, two fully enclosed & private porcelain flushing toilets, two sinks, paper & soap dispensers & automatic air-freshener dispenser.

Men's side: air-conditioning, one fully enclosed & private porcelain flushing toilet, three wall hanging porcelain urinals, one sink, paper & soap dispensers & automatic air-freshener dispenser.

A master stereo/CD system provides music to both sides.

Requirements: Level ground

Power: access to two dedicated 20 amp electrical circuits within fifty feet of the trailer.

Water: access to a water source with a garden hose connection within fifty feet of the trailer.

The trailer is also equipped with a 200 gallon fresh water tank and a 625 gallon waste holding tank
